PROFESSIONAL SUMMARY

Front-End Developer enrolled at APTECH with a strong foundation in building responsive and interactive web applications using HTML5, CSS3, JavaScript, Tailwind CSS, and React.js. Passionate about clean code and user-centric design. Seeking an entry-level Front-End Developer or React.js Developer role/internship to contribute to real-world projects and expand technical expertise.

TECHNICAL SKILLS

- **Frontend Development:** HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS
- **Tools & Technologies:** Git, GitHub, VS Code, MS Office (Word, Excel, PowerPoint)
- **Core Competencies:** Web Research, Data Entry, Basic Computer Skills

PROJECTS

Todo App | *HTML5, CSS3, JavaScript*

- Developed a fully responsive task management web application with full CRUD (Create, Read, Update, Delete) features.
- Utilized JavaScript DOM manipulation and event handlers for efficient data management.
- Designed an intuitive, simple, and clean user interface.

Personal Portfolio Website | *HTML5, CSS3, JavaScript*

- Built a modern personal portfolio website to demonstrate technical projects and developer profile.
- Implemented mobile-first responsive web design principles across multiple screen sizes.
- Structured using semantic HTML tags and custom CSS layout systems.

EDUCATION

- **Diploma in Web & Software Development** | APTECH *(In Progress)*
- **Intermediate (I.Com - Commerce)** | Private College — 51%
- **Matriculation** | 72%
